

## AS170 Complete Set

ALL.FG.170

1x AS170 Brick and Mortar Saw  
1x Heavy Duty Tool Bag  
1x General Purpose blades  
1x Headjoint Blades

1x Plunge Blades  
1x Sharpening Disk  
1x Spare Belt  
1x Vacuum Adaptor

## General Purpose Blades

BLA.FG.1110

Used for general cutting of bricks, and mortar or general masonry cutting. Also used for cutting tree roots or wood through dirt and sand.

Depth: 4 1/2" (115mm)  
Width: 9/32" (7.2mm)

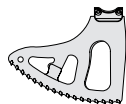

## XL General Purpose Blades

BLA.FG.1200

Cut up to 170mm deep.

Depth: 6 3/4" 170 mm  
Width: 9/32" (7.2mm)

## Plunge Blades

BLA.FG.4110

Used for general cutting of bricks and mortar. Designed for cutting a single brick height (120mm) / 4 3/4" depth. Ideal for single brick removal and toothing of brickwork.

Depth: 4 3/4" (120mm)  
Width: 9/32" (7.2mm)

## Switchbox Blades

BLA.FG.2110

Ideally suited to cut small square holes for electrical switches.

Depth: 4 3/4" (120mm)  
Width: 9/32" (7.2mm)

## Headjoint Blades

BLA.FG.7000

Ideal for mortar removal on vertical joints.

Depth: 3" (75mm)  
Width: 9/32" (7.2mm)

## Heritage Blades

BLA.FG.8000

Ideal for mortar removal on thin joints and heritage restoration.

Depth: 1 3/8" (35mm)  
Width: 1/8" (3mm)

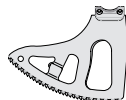

## XL Wood Blades

BLA.FG.3200

Efficient and safe cutting of wood and composite materials.

Depth: 6 3/4" 170 mm  
Width: 9/32" (7.2mm)

## Caulking Blades

Ideal to remove caulking between concrete panels. E.g Tilt up, parking lots. \*Available in 3 widths (1/2", 1" and 2").

Width: 1/2"  
1"  
2"

# AS170

BRICK & MORTAR SAW

THINK OUTSIDE THE CIRCLE.

# Allsaw Technology

Arbortech's successful **Allsaw technology** just keeps getting better! Now with a completely new motor, the AS170 offers over **70% more power**, improved reliability, faster cutting speed, and durability in the toughest work environments.

**Cut Square:**  
The AS170 cuts square openings with no over cutting. Surrounding brickwork can remain untouched, no bolsterring or stitch drilling is required and job completion times can be reduced.

**Cuts Deep:**  
The AS170 is the only small handheld saw able to cut to a depth of 4 3/4".

**Cuts Safe:**  
The AS170 provides superior operator safety. The inherently safe cutting action prevents kickback and is easy to control.

**Plunge Cuts:**  
Use the AS170 to cut directly into flush walls without stitch drilling.

**Cuts Dry / Low Dust:**  
This unique cutting technology creates very little flydust protecting the operator and creating a cleaner work environment.

**HIGH VISIBILITY AND PRECISION CUTTING:**  
The forward facing blades allow clear visibility when cutting making the AS170 the ideal tool whenever accuracy and precision is required.

ITEM	SPECIFICATION
Weight, with cutting blades	9.5lb (4.3kg)
Dimensions without blades	17 3/4" (450 mm) L 3" (75 mm) W 9 1/2" (240 mm) H
Electrical rating, nominal	110 - 120 VAC, 50-60 Hz 13A (USA/Canada/UK Industrial)
Dust extraction vacuum hose interface	Suits vacuum hose with inner diameter of 1", 1 1/4", 1 1/2" or outer hose diameter 1 1/2"

**ALLSAW TECHNOLOGY TESTIMONIALS :**

**Costa Brothers Masonry**  
*"The AS170 is a wonderful piece of equipment for restoration jobs, caulking, and practically anything. Saves a lot of time, a lot of money, and a lot of effort. It's a good tool".*

**Gariup Construction**  
*"The new high performance blades work twice as fast as the standard General Purpose blades. Our guys find them two, to three times faster than using a regular 4 or 6" grinder, with less dust factor".*

**NEW POWERFUL HEAVY DUTY MOTOR**  
13 Amps with over 70% more power for improved cutting performance. Dust resistant heavy duty design ensures long motor life even in the toughest working environments.

**VIBRATION REDUCING HANDLE**  
Significant vibration reduction to increase user comfort.

**DUST BOOT WITH VACUUM ATTACHMENT**  
Efficient dust control for jobs in sensitive environments.

**RESHARPENABLE TUNGSTEN CARBIDE TEETH**  
Long lasting, designed specifically for cutting bricks and mortar.

**AUTO CUT OFF BRUSHES**  
Prevents motor damage.
