PORTABLE SHARPENERS

“Hunting is what I do. It’s what I live for. I’m in the field all the time and there’s nothing worse than having a dull knife. That’s why we use Lansky sharpeners. With Lansky, you’ll never have a dull moment again.”

BUCK BUCHANAN
JUST KILL'N TIME TV

Tungsten Carbide
Just three to four strokes will restore your blade

Ceramic Finishing
1000 Grit ceramic polishes in three to four strokes

Diamond Tapered Rod
Monocrystalline (600 grit) for fast reconditioning

THE ULTIMATE IN PORTABLE SHARPENING

TACTICAL BLADEMEDIC®

PS-MED01

First aid for your blade: the first responder for field repairs on all types of knife blades. It's like having an entire sharpening kit right in your pocket. Refresh regular or serrated blades, gut hooks, hunting, fishing, and more. Four sharpening elements.
